Beneficiary 2, *Agrikola.ai* (score: 8.00; exhibition days: 4–5 March 2026), formally communicated its **renunciation of beneficiary status by email on Thursday, 15 January 2026**.

In accordance with the replacement procedure set out in the Rules for Participation, this vacancy has been filled by the next highest-ranked applicant on the Waiting List:

- **MAFER AI**, previously listed as **Waiting List position 2**, is hereby designated as **Beneficiary 2**, assuming the same exhibition slot (4–5 March 2026) originally allocated to *Agrikola.ai*.

2. **Renunciation of Beneficiary 7 – SignForDeaf**
Beneficiary 7, *SignForDeaf* (score: 7.70; exhibition days: 2–3 March 2026), formally communicated its **renunciation of beneficiary status by email on Wednesday, 14 January 2026**.

In accordance with the replacement procedure set out in the Rules for Participation, this vacancy has been filled by the next highest-ranked applicant on the Waiting List:

- **Lane Patrol**, previously listed as **Waiting List position 3**, is hereby designated as **Beneficiary 7**, assuming the same exhibition slot (2–3 March 2026) originally allocated to **SignForDeaf**. Consequently, the position of **Beneficiary 7** became available and is hereby allocated to the next eligible participant on the Waiting List, **Lane Patrol (Waiting List position 3)**.
